Debt paid in 45 days!

In 1978 Dr. Clinton Branine along with Dr. Jonathan Byrd secured the loan to build the Ford Porter Administration building. On December 29, 2000 Dr. Branine, Dr. Byrd, and our University President, Russell Dennis, Jr., made the final payment of \$108,735.54 to Tina Surface of Fifth Third Bank. Following this momentous meeting, we retired to our favorite eating establishment in Greenwood (your editor needed to attend to take the picture and eat!).

The students, faculty and staff thank you for your sacrificial gifts. By paying off the loan today, we saved over 50,000 dollars in interest! To God be the glory.

P.S. Our favorite restaurant in Greenwood is Jonathan Byrd's Cafeteria.
